Job Information

Organisation/Company	Instituto Português do Mar e da Atmosfera, I.P.
Research Field	Engineering » Other
Researcher Profile	First Stage Researcher (R1)
Positions	PhD Positions
Country	Portugal
Application Deadline	20 Nov 2024 - 23:59 (Europe/Lisbon)
Type of Contract	Temporary
Job Status	Full-time
Is the job funded through the EU Research Framework Programme?	Other EU programme
Reference Number	EMFAF
Is the Job related to staff position within a Research Infrastructure?	No

Offer Description

Internacional selection procedure to hire a PhD researcher in Environmental Contamination, for the Division of Oceanography and Marine Environment (DivOA)

1. Under the terms of Decree-Law No. 57/2016, of 29 August, in its current wording, it is made public that, by resolution of the Board of Directors of IPMA, IP, September 10th 2024, it was authorized the opening of the international selection - and the applications must be submitted within 10 (ten) working days - for a PhD researcher position in environmental contamination, for the Division of Oceanography and Marine Environment (DivOA), with a contract of employment in public functions with a fixed term, for a period of three years, automatically yearly renewed to a maximum of six years.

2. Institutional framework: Within the scope of IPMA's mandate, guidelines include the optimization of environmental contamination monitoring programs, the assessment of the state of the marine environment and support for food quality and safety.

3. The description of the job is as follows:

- a) Contribution to the optimization of monitoring programs for environmental contaminants in marine biological resources;
- b) Application of analytical methodologies legislated in the EC for the quantification of marine toxins and persistent organic contaminants in bivalve molluscs, echinoderms, tunicates and gastropods;
- c) Implementation and optimization of new methodologies for the quantification of emerging marine toxins and emerging persistent organic contaminants in marine biological matrices;
- d) Characterization of contamination by marine toxins and persistent organic contaminants in marine biological resources, with contributions to the National Bivalve Monitoring System and the Marine Strategy Framework Directive;
- e) Preparation of technical-scientific opinions to support decision-making;
- f) Contribution to the optimization of laboratory management in accordance with NP 17025:2018, particularly in the technical requirements of the implemented management system;
- g) Preparation and submission of scientific articles, including national and international project reports;
- h) Availability to provide guidance to master's and doctoral students;
- i) Preparation of applications for national and international research projects.

4. Applicable legislation:

a) Decree-Law no. 57/2016, of August 29th, in its current wording;**b)** General Labor Law in Public Functions (LTFP), approved as an annex to Law No. 35/2014, of June 20th, in its current wording;**c)** Regulatory Decree No. 11-A/2017, of December 29th.

5. Under the terms of article 16 of the RJEC, the present procedure is exempt from:**a)** Authorization of the members of the Government responsible for the finance and Public Administration's areas, has referred in paragraph 3 of article 7 of the LTFP;**b)** Obtaining the prior favorable approval referred to in paragraph 5 of article 30 of the LTFP and**c)** The procedure for recruiting workers in a situation of professional development, has mentioned in article 265 of the LTFP.

6. Only national, foreign and stateless candidates who hold a PhD researcher in Food Technologies, Food Engineering, Chemistry, Chemical Engineering, Biochemistry, or related areas. will be allowed to enter this procedure.

7. Those who, under the terms of Decree-Law No. 66/2018 of August 16th, may also apply recognized academic degree or higher education diploma, awarded by foreign higher education institutions.

8. The remuneration is that of an assistant researcher, namely: (euro) 3.327,76 (index 195 of the scientific research career) plus meal, holiday and Christmas allowances.

9. Workplace: IPMA Algés, Av. Alfredo Magalhães Ramalho, 6 1495-165 Algés.

10. According to article 5 of the RJEC, the selection is carried out through the evaluation of the scientific and curricular path of the candidates, considering the following parameters (0 to 20 values), in an additive way, broken down to the tenths, with the value of the proven professional experience in:

Scientific, technological, cultural or artistic production from the last five years considered most relevant by the candidate and relevant to the job position..... 6

Applied research activities, or practice-based, related to food technologies applied to marine resources, with preference for marine toxins and persistent organic contaminants, developed in the last five years and considered to have the greatest impact by the candidate and relevant to the job position.5

Extension and knowledge dissemination activities developed over the last five years, namely in the context of promoting scientific practices in the area of environmental contamination and laboratory management in accordance with NP 17025:2018, considered of greatest relevance by the candidate and relevant to the workstation.....6

Management activities of science, technology and innovation programs, or experience in observing and monitoring the scientific and technological in Portugal or abroad.....3

11. The evaluation of the candidate's scientific and curricular path can be completed by interviewing the five best classified, whenever the jury so decides.
12. In accordance with article 13 of the RJEC, the jury has the following composition: President: Doctor José Ângelo Guerreiro da Silva, President of the Portuguese Institute of the Sea and Atmosphere, I. P.; Effective members: Doctor Maria João Vieira Botelho Henriques, from IPMA, I.P.; Doctor Miguel José Martins Caetano, from IPMA, I.P.
13. The jury decides through nominal voting based on the criteria of selection adopted and disclosed, with no abstentions allowed.
14. After the jury's meetings, a minute containing what has happened in the reunion, as well as the votes cast by each of the members and the respective reasons, will be made. That minute will be available to candidates whenever requested.
15. The final decision of the jury requires approval by the Board of Directors of IPMA, IP.
16. The deadline for submitting applications to the procedure is 10 working days, counting from the day following the publication of this notice in the Public Employment Exchange (BEP).
17. The application must be accompanied by the following documents: **a)** Form available on the IPMA, IP website, expressly indicating which reference(s) you are applying for; **b)** Copy of certificate or diploma attesting to the degree of Doctor (or equivalent); **c)** Doctoral thesis; **d)** Detailed and updated Curriculum Vitae; **e)** Other documents that the candidate deems relevant for the assessment of their scientific and curricular path.
18. Candidates must submit the documents, preferably in digital format, in PDF format, to the email address recrutamento@ipma.pt, in person at Rua C ao Aeroporto de Lisboa, 1749-077 Lisboa, during office hours (10h/16h), or by post to the same address. When sent by post, the mail must be registered, with receipt, sent until the last day of the deadline.
19. The following will be excluded from the procedure: **a)** Candidates who incorrectly formalize their application or who do not meet the required requirements.; **b)** Candidates who do not submit the application, do not submit documentation or submit illegible, incorrectly completed or invalid documentation; **c)** Candidates that do not identify the procedure which are applying for.
20. The jury has the option of requiring any candidate, in case of doubt, the documents that prove what is statement by the candidate.
21. False statements made by candidates will be punished by law.
22. The lists of admitted and excluded candidates, as well as the final classification lists, are published on the website <http://www.ipma.pt/pt>, with candidates being notified by email with a receipt of delivery of the notification.
23. Under the terms of article 121 of the Code of Administrative Procedure, after notification, candidates have 10 working days to comment in writing. Within 90 days, counting from the deadline for the submission of applications, the final decisions of the jury will be approved.
24. This procedure is exclusively intended to fill the vacancies indicated. It may be terminated before the approval of the final ranking list of candidates and will expire with the occupation of the job's offer.
25. IPMA, IP actively promotes a policy of non-discrimination and equality of opportunities and access to employment, in alignment with article 9 of the Constitution.
26. The jury approved this notice.
